Re: Norman Nick, et al vs. Bass,
Case No.: 2:11-cv-05630-JFB-ARL

Honorable Judge Bianco:

This letter is submitted in compliance with the Courts order dated March 31, 2015 directing plaintiff to submit a letter to the court no later than April 14, 2015, explaining why the entire lawsuit should not be dismissed pursuant to Rule 41(b) of the Federal Rules of Civil Procedure.

Based on the advice of counsel, and after several conferences concerning the merits of the action, particularly against defendants Our Savior New American School and Our Savior Lutheran Church (in New York) and the Cornerstone Baptist Church (in Georgia), the need to retain counsel in New Jersey to assist in investigation and discovery concerning defendants Euro Capital Corp., JCL Holdings, Inc., and Anthony Guariglia, and the need to retain counsel in Georgia to prosecute any default judgment obtained against Michael Blizzard and the Cornerstone Baptist Church, the plaintiff Norman Nick has agreed to withdraw his cause(s) of action against all defendants, and consenting to dismissal of the action pursuant to Rule 41 (b).

In addition to the above reasons consenting to dismissal, there is very little likelihood, if any, of recovering money against any of the defendants.

Hopefully, this letter fully responds to the Court's directive.
